

EDDYVILLE CHARTER

SPRING 2021

COVID-19 NEWS

A Pfizer vaccination clinic will be at ECS on May 20 for students 12 yrs and older and community members. Students will be served from 1:30-2:30 and community members from 3:00-5:00. A sign-up link is posted below, on our website and in a recent Remind. Regardless of age (12-14 requires parent permission and parent in attendance), we encourage families to discuss the vaccine options with their students. The second dose will be offered June 10th. ECS is simply offering a clinic to those who want the vaccine at our school due to our remote location. It is not a requirement.
