Prior to speaking Patty reminded everyone that they are Board Members and if the guests were there to speak that it could not include anything that was about students, or personnel. If they had complaints they needed to start and follow the complaint process. She then explained the process. Each of them would have 5 minutes to speak; Missy will be setting the timer each time.

Hope Poet started to speak about her time here as a student and as she got into it she began to complain about Principal Johnson. Patty stopped her immediately and again reminded them of the process.

Kara Ammons said that she has requested the form and never received it. Missy looked up the email where it was sent and told the board that the complaint form was sent on November 9.

The people in the audience then demanded the board stop the meeting and make copies of the complaint form.

After Patty was done asking each of them if they had anything else to say that was not personnel or about students they all chose not to speak after that.

Patty then stopped the meeting asking Missy to go make copies for everyone so that we could carry on with regular business.
