

Parents and Adult Volunteers

Parents and other adults from the community are always welcome and are urged to visit the school frequently. The interest and involvement of parents is a vital part of our school program. We also eagerly welcome volunteers who can help us with our school programs. There are a variety of ways of helping.

All persons visiting Eddyville Charter School are required to check in at the office upon arrival in the building. Passes and guest tags will be issued at that time.

Student-aged Visitors

Eddyville school is for Eddyville students and only students regularly enrolled at Eddyville may be in the school and classroom. Minor Visitors (under 18 years of age) will not be admitted while school is in session, i.e., during regular school hours.

Adult-aged/Former Student Visitors

Young adults and former ECS students are welcomed to visit the school. However, visitors between the ages of 18 and 25 will not be admitted while school is in session, i.e., during regular school hours. *The one exception is if the intent of your visit is to pick up a copy of your transcript or is for school-related business, simply sign in at the front office and list the purpose of your visit.* On the other hand, if you would like to visit with staff after school is out for the day a visitor's pass must be filled out prior to visiting ECS and approved by the administrator once on campus.
